

Dear consumer

As part of the "Responsibilities and Rights" series of seminars, CAI has successfully conducted seminars on Life Insurance and Health Insurance in the last 3 months. Our next seminar will be on 'Vehicle Insurance', scheduled for 9th of January, 2010 for the whole day at the Southern Crown, GRT Hotel, T. Nagar, Chennai 600 017.

We try to set the tone for the discussions by presenting the views and concerns of consumers at our seminars. We collect consumers' views by conducting a short survey on the subject seeking responses from our members and the public.

Link to the survey on vehicle insurance, undertaken jointly by Insurance Regulatory Authority of India, Automobile Association of Southern India and Consumers Association of India. We urge you to spend a few minutes in responding to the survey by clicking on the link given below and follow the instructions

<http://www.surveymonkey.com/s/RQ6RXBH>

Kindly send in your responses by 20th December 2009

The results will be announced in the seminar as well as posted in our website after the seminar. If this survey has kindled some interest and you want to learn more or have something to share, then please do consider attending the seminar.

Thank you for your cooperation and effort

Please feel free to send your comments to editor1.cai@gmail.com.

Regards
